AGRICULTURE DEPARTMENT

Sub:- Fisheries--Supply of energy to the cold storage plants ~~in~~ at Mangalore--regarding.

Ref:- My letter No. 1308/Y.2/52 dated 28-5-54.
Letter No.T. 512/3624-M dated 17-6-54 from the Electrical Engineer (General) addressed to this office.

In continuation of my letter cited I submit that the Chief Electrical Inspector to Government, Madras informs me that the Mangalore Electric Supply Company, Mangalore are now financially able to arrange for supply of energy to the ice plant at Mangalore without the aid of Government. The proposals for giving an aid ofRs. 25000/- to the above company already submitted in my letter under reference may therefore be dropped.

2/ In his reference second cited (copy enclosed for ready reference) the Electrical Engineer (General) has forwarded an estimate for Rs. 12,700/- for the supply and erection of transformer and sub station at the ice making and quick freezing plant at Mangalore, together with the necessary data statement. I submit below the estimate for s. 12,700/- and the data statement duly countersigned by me for favour of perusal and request that the Government may be pleased to accord administrative approval for the above work. The erection of the plant is almost over and the electrical portion of work will have to be taken in July 1954 itself. Therefore Government orders may kindly be issued at a very early date.

For Director of Industries and Commerce.

Sub: Electricity - Supply of power to Fisheries Ice Plant at Mangalore and Calicut.

In connection with the erection of the Ice Plant at Mangalore the licensees, the Mangalore Electric-supply Co., has now stated that only H.T.Supply is feasible and not L.T. supply as originally anticipated. Hence the Electrical Engineer (General) is preparing an estimate for providing a transformer and sub-station. This estimate will be forwarded by the Electrical Engineer (General) to the Director of Industries for obtaining Government sanction.

Sub: Fisheries - erection of transformer and sub-station at the ice making and quick freezing plant at Mangalore.

Ref: G.O.RT.1656, Agri. d. 16-11-54.

The Mangalore Electric Supply company limited, Mangalore has consented to give an L.T. 3 Phase supply to a demand of 35 k.ws intially and to increase the supply to an increased demand upto 60 k.w. in case it is decided to work the freezing and cold storage section also either by the department or by a lessee, provided a decision is taken, say within the next 4/6 months and atleast 3 months' notice of increase is given to the co., I have decided to avail ourselves of the L.T. supply for the Mangalore plant. Hence, I am not utilising the amount of Rs.12,700/- sanctioned for the erection of a transformer and sub-station at Mangalore till the present arrangement is finalised.
